

On Friday May 10th, 2019 the U.S Department of Commerce announced the decision to implement the additional 15% tariff increase of the section 301 that originally began in September 2018.

Due to the impact of these tariff increases Ward Manufacturing will be implementing the following list price increases on June 3, 2019:

Ward International 150# and #300 Malleable Iron fittings - 15%

Ward International Welded Pipe Nipples - 15%

Ward International Ductile Iron Fittings - 15%

Ward International Valve - 15%

We thank you for your understanding during this time and appreciate your business.

If you have any questions, please call your local Elmco Stewart Sales Representative.

At Elmco Stewart, we're a customer driven company that has been in business since 1945 representing companies like Jay R. Smith Mfg. Co.® and Acorn Engineering Company® since our inception.
