## ***Fittings, Inc.***

May 7, 2019

Dear Valued Customer,

Due to escalating costs in materials, freight and other operational expenses, LASCO Fittings, Inc. will implement the following price increases effective July 1, 2019:

- **5% list price increase on all LASCO Pressure products.**
  - **(divide current price by .95)**
  
- **7% list price increase on all LASCO PVC-DWV products.**
  - **(divide current price by .93)**

*Large Diameter DWV (10" and 12") fittings are not increasing at this time.*
  
- **7% list price increase on all ABS-DWV products.**
  - **(divide current price by .93)**
  
- **There will not be a List Price increase on the Colonial Valve product line pending the decisions made about tariff changes.**

These new list prices will be available in Excel format on our website, [www.lascofittings.com](http://www.lascofittings.com), no later than May 10, 2019. We appreciate your business and understanding.

Sincerely,

Vice President Sales  
LASCO Fittings, Inc.
