

Dear Legend Customer:

As you are aware of the Department of Commerce and the United States Government have recently announced Section 232 of the Trade Expansion Act. This Act has caused the market to take immediate action and announce a 25% price increase. The increase effects the following products:

- **Black & Galvanized Steel Pre-Cut nipples and Black Oil Tank Legs over 12" only.**

This unprecedented tariff went into effect on March 23, 2018, Legend Valve can no longer absorb this increase.

All multipliers for these pre-cut nipples will be increased by 25% (x1.25) effective April 2, 2018.

We will not be able to offer any price protection on this increase any new orders or backorders will be priced at the new multiplier. List price LT-BGN0118 dated January 2, 2018 will remain unchanged. Price sheets can be found at www.legendvalve.com.

We thank you for your understanding and support of Legend Valve.

Best Regards,

Jeff Shreiner

VP of Sales
