Raypak Pricing Update

Dear Valued Partner,

2018 has proven to be a challenge for all in our industry. The impact of tariffs and economic growth has caused material costs to surge throughout the year.

Raypak must once again adjust prices to compensate for this evolving procurement climate.

Below are the dates that the price increase will be implement:

Sept 16th, 2018 - Raypak will be adding up to 4% price increase on Storage Tanks

Oct 15th, 2018 - Raypak will be adding up to a 6% price increase on Boilers, Finish goods and Parts.
