

Dear Valued Customer,

Please be advised that effective November 26, 2018 we will implement a price increase. The price increase is due to continued increases in tariffs. Those items affected will increase between 3% - 6%.

Please know that we continue to implement methods to control costs by streamlining our manufacturing process and limiting our exposure to import materials.

The new November 26 List Price Guide will be available to download by November 1.

Thank you for your continued support. Please feel free to contact our customer service team or your local rep with any questions or concerns.

Sincerely,

Rex Baer Executive VP
