Dear Valued T&S Customer,

Thank you for choosing T&S Brass as your commercial plumbing supplier. We strive to stay ahead of industry trends, produce top quality products, provide excellent customer service and dependable 24-hour quick ship. We appreciate your business and look forward to partnering with you throughout the year.

T&S works tirelessly to control expenditures and implement savings procedures. However, due to increased material and healthcare costs that are out of our control, T&S will implement a price adjustment averaging 2.5% effective May 1, 2018.

The 2018 printed price book will be mailed to you mid-April and will be available as a PDF download from [www.tsbrass.com](http://www.tsbrass.com) late-March. Additional printed price lists will be available from either your local T&S Brass sales representative or direct from the factory.
